PRO-D WORKSHOP FOR TEACHERS

Friday, October 25, 2024

Discover new ways of teaching through unique and enriching learning experiences offered by your local museums and heritage sites.

- Explore the buildings that make up **Britannia Shipyards National Historic Site** and develop creative teaching ideas that highlight their historical significance.
- Witness the restoration of a wooden boat by our expert boatbuilder, then build a small wooden boat from the *Britannia Boatbuilders* program —just like your students would!
- Sample activities from the **Richmond Museum** *Family Treasures* exhibition field trip, only available until June 2025. Use critical thinking strategies through object-based investigations.

You will leave the workshop feeling more knowledgeable about field trips, education kits and learning tools offered by your local community, and inspired by enriching online resources that you can use in your classroom right away.

Location: Britannia Shipyards National Historic Site, 5180 Westwater Dr, Richmond, BC

Time: 9:30 a.m. to 2:45 p.m.

Cost: \$50 per person. Includes morning refreshments, lunch, and a chance to win a free field trip!

Please register with **Course #00353135** by October 20, 2024. Spaces limited to 20 participants.
